> <p>

\*screen fades into the digi-destined as little tikes (well, at least tai and sora)\*

~Somewhere there's speaking, It's already coming in. Oh and it's rising in the back of your mind.~

\*Little first grade tai and sora playing soccer\*

~You never could get it, unless you were fed it. Now you're here and you don't know why.~

\*Tai and sora at present day, playing a soccer game. Tai passes the ball to sora and sora scoresâ€|the crowd goes wild!! \*

~But under skinned knees, and the skid marks. Past the places where you used to learn. You howl and listen. Listen and wait for the echos of angels that won't return~

\*Sora and Tai run up to each other, hugâ€|and then the team comes over and sees them. Tai and Sora blush deep, deep red!\*

~He's everything you want, he's everything you need, he's everything inside of you that you wish you could be~

\*close up of sora smiling, while as we guessed, thinking of her beloved tai!!\*

~He says all the right things and exactly the right times, but he means nothing to you and you don't know why~

\*Tai sitting alone in a tree in the digital world\*

~You're waiting for someone, to put you together. You're waiting for someone to push you away. There's always another word to discover~

> \*another close up of sora\*<p>

~There's always something more that you wish he'd say~

\*Life and adventures between tai and sora buzz by pretty fast\*

~He's everything you want, he's everything you need, he's everything inside of you that you wish you could be. He says all the right things at exactly the right time. But he means nothing to you and you don't know why.~

\*close up of sora, thinking of what has happened between her and Tai\*

~Out of the island, into the highway. Past the places where you might have turned. You never did notice. But you still hide away, the anger of angels who won't return~

> \*screen split into two, with tai and sora in each part, walking, thinking of what to say\*<p>

~He's everything you want, he's everything you need, he's everything inside of you that you wish you could be. He says all the right things at exactly the right times, but he means nothing to you and you don't know why.~

\*Screen turns over to tai, thinking and thinking~\*

~I am everything you want I am everything you need! I am everything inside of you that you wish you could be! I say all the right things at exactly the right time! But I mean nothing to you and you don't know why~|why~|I don't know~|~

> \*sora and tai walk over to each other~|you see them talk, hug and walk of into the distance as the song fades off~|\*<p>
